4PR-459-MRN	25	360
4PR-459-GRY	25	1500

AUTOMOTIVE MASKING TAPE

- Crepe paper backing that is solvent and water resistant
- Natural rubber adhesive sticks firmly to a wide variety of surfaces with clean removal
- Available in 18mm, 36mm and 48mm sizes.
- Withstands and removes cleanly from temperatures up to 250° F (121° C)
- Exceptional conformability for easy application on curved or irregular surfaces
- Excellent quick stick holding power for no edge lifting or curling
- No residue transfer on steel, plastic, rubber, or glass
- Leaves sharp, clean paint lines

PLASTIC SHEETING

PRO BLUE PLASTIC SHEETING

- Completely Resistant to Waterborne and Solvent Based Paints
- 11 Micron Thickness for Superior Tear Resistance
- Clings Easily to Surfaces for Fast Application
- Corona-treated for Superior Paint Adhesion

ITEM #	SIZE
4PR-BPS16	400' L x 16' W

PRO HD PLASTIC SHEETING

- Completely resistant to waterborne and solvent based paints
- Strength and tear resistance
- Clings easily to surfaces for fast application
- Corona-treated for superior paint adhesion

ITEM #	SIZE
4PR-PS16	350' L x 16' W
4PR-PS20	350' L x 20' W

PRO CRASH WRAP

- Improved! Now with Double Adhesion
- Weather barrier film protects damaged vehicle interiors
- 3 mil. clear self-adhering transparent film
- Ultraviolet inhibitors prevent the adhesive from breaking down due to extended sun exposure and sticking to or damaging the vehicle paint
- Approved for 45 days in direct sunlight
- ISO 9001 Certified for quality and consistency

ITEM #	SIZE
4PR-CW100x36	36" x 100' ROLL

TOWELS

PRO SHOP TOWELS

- Absorbent towel with cloth-like features
- Durable and strong enough for heavy duty jobs
- Easily absorbs liquids, lubricants and oils
- Removes grease and grime
- Easy, center-pull dispenser holds 200, 9" x 12" towels

ITEM #	TOWELS PER DISPENSER	INDIVIDUAL TOWEL SIZE

When it comes to automotive refinish paint materials, there's so much more than meets the eye. ColorSource distributors go beyond the finish, giving collision repair centers and dealerships around the nation the world-class quality, performance and support they deserve. As BASF's single-source distribution partners, ColorSource distributors provide the high-quality, best-in-class paint systems and products you expect from BASF and now, 4PRO.

The ColorSource national group of distributors created 4PRO to solve a need in the market for a comprehensive line of associated products that are compatible with BASF paints. Created by professionals for professionals, these products are high quality at a reasonable price.
